## About Prime Equity Research

Prime Equity Research was founded and is managed by a team that has been actively involved in the research and finance industry for over 20 years -- dating back to the origins of corporate-sponsored research. Our business is rooted in principles of integrity and fundamentals-driven markets. Our seasoned pool of equity securities analysts have extensive securities market research experience, and are highly qualified and credentialed CFA (Chartered Financial Analyst) charterholders or MBAs. The research we provide is as comprehensive, and unbiased as any on the market. Our reports and ratings are used by both institutional and individual investors to obtain accurate, independently-compiled securities data and takes steps to ensure the independence and integrity of published research that exceed those of the CFA Institute Code of Ethics and Standards of Professional Conduct and the CFA-NIRI Guidelines. Neither the analyst nor Prime Equity Research owns any equity or debt securities in the analyzed company. Analysts are independent contractors and not employed by Prime Equity Research. The analyst is paid in advance to ensure independent and objective opinions are rendered without conflict.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. Tinkerine and Ditto are registered trademarks of Tinkerine Studios Ltd., all rights reserved. Certain statements contained in this press release may constitute forward-looking statements. Tinkerine is hereby providing cautionary statements identifying important factors that could cause the actual results to differ materially from those projected in the forward-looking statements. By their nature, forward-looking statements involve numerous assumptions, inherent risks and uncertainties which contribute to the possibility that the predicted outcomes may not occur or may be delayed. The risks, uncertainties and other factors that could influence actual results include, but are not limited to: limited operating history; the risks related to scaling up operations; competition risks; exposure to potential litigation; and other factors beyond the control of Tinkerine.

The opinions expressed in the research report are the analyst's personal views about the company. Definitions of ratings are available to the public and to the analysts. No rating is to be issued that is labeled a recommendation. No analyst may recommend the purchase or the sale of any equity. The analyst is responsible only to the public and this report is not a service to the company. The report is for information purposes and is not intended as an offering or a solicitation to buy or sell the securities mentioned above. Neither the analyst nor Prime Equity Research owns any equity or debt securities in the analyzed company. Analysts are independent contractors and not employed by Prime Equity Research. The analyst is paid in advance to ensure independent and objective opinions are rendered without conflict. Tinkerine Studios Ltd., paid Prime Equity Research \$15,000 for independent equity coverage. The following is from the Final Report of the SEC Advisory Committee on Smaller Public Companies, adopted February 21, 2006: [www.sec.gov/info/smallbus/acspc/acspc-finalreport.pdf](http://www.sec.gov/info/smallbus/acspc/acspc-finalreport.pdf) "In order to address the need for more independent research for smaller public companies, [the U.S. Securities and Exchange Advisory Committee on Smaller Public Companies recommends] that the Commission: "Maintain policies that allow company-sponsored research to occur with full disclosure by the research provider as to the nature of the relationship with the company being covered. "Entities providing such research should disclose and adhere to a set of ethical standards that ensure quality and transparency and minimize conflicts of interest."
