

Tinkerine's 3D Printer "Trade-up Now" Special Offer

March 2, 2020 - Tinkerine™ Studios Ltd. (TSXV: TTD) ("Tinkerine" or the "Company") announces a 3D Printer Trade-up program for the Education Community. Any 3D printer is now available for trade-up towards an education-safe, Tinkerine 3D printer. 3D printers received will be carefully recycled with environmentally responsible processes.

All used 3D Printers will receive a substantial credit applied to new, Tinkerine, state of the art, Ditto Pro 3D Printer(s). This includes a special additional bonus credit for Tinkerine's recently released, advanced member of the Ditto Pro family, the **Ditto Pro-R**.

Just follow these simple instructions to qualify for your new Tinkerine 3D printer:

1. Send us a digital photo of your used 3D printer(s);
2. Briefly describe used 3D printer(s) (e.g., brand, model);
3. Provide some evidence/history of "Proof of Purchase";
4. Ship your used 3D printer(s) to Tinkerine;
5. Shipping costs are covered by Tinkerine (details on website*);
6. All credits will be applied to your new Tinkerine Ditto-Pro and/or Ditto Pro-R printer(s);
7. Select and purchase your new Tinkerine 3D Printer(s).

(Note: Condition does not matter, we will accept it "As Is")

Tinkerine's "Trade-up Now" Program:

- Runs through March 31, 2020;
- Includes *Tinkerine Suite* slicing software;
- Provides access to Tinkerine's portfolio of education products & courses.
