

Tinkerine Studios & Food Banks Canada partner to provide Face Shield Lite

June 23, 2020 - Tinkerine™ Studios Ltd. (TSXV: TTD) ("Tinkerine" or the "Company") announces a campaign agreement ("Campaign") with Food Banks Canada ("FBC") to develop a Food Banks Bundle that consists of one Face Shield Lite and one Face Shield Lite Replacement Parts package. This Campaign will run from June 4th, 2020 to September 30, 2020, with a portion of the Campaign proceeds donated to FBC.

The Campaign grants Tinkerine the non-exclusive license and right to use the Food Banks Canada Marks in Canada in publicity and public relations materials, advertising and other marketing materials. The Campaign also allows for FBC's provincial and/or affiliate food banks to recognize Tinkerine with consent from FBC.

Details on this Campaign can be viewed at:

Tania Little, Chief Development and Partnerships Officer, Food Banks Canada states: "We are grateful to partner with Tinkerine on this unique initiative that provides much needed funding for our organization while providing premium quality eye protection for the public. Food Banks Canada and its affiliates serve 85% of Canadians who turn to a food bank or program in Canada, and every dollar helps in providing food for the table."

About Food Banks Canada

Food Banks Canada provides national leadership to relieve hunger today and prevent hunger tomorrow in collaboration with the food bank network in Canada. Founded in 1987, Food Banks Canada's network is made up of 10 Provincial Associations, over 600 local food banks and over 3,000 food agencies.

Food Banks Canada is a national charitable organization dedicated to helping Canadians living with food insecurity. We support a network of Provincial Associations, affiliate food banks, and food agencies that work at the community level to relieve hunger. Our work is focused on maximizing collective impact, strengthening local capacity, and reducing the need for food banks.

Chief Executive Officer Eugene Suyu states; "We are pleased to join with Food Banks Canada in providing personal protective equipment for the general public and assist in generating funding for a well-respected and essential organization addressing the short term need for food and reducing hunger in Canada."

About Tinkerine

Our mission is to provide a foundational understanding about Applied Design driven by 3D printing. Our ecosystem of 3D printing products and educational resources equips future generations with the innovative tools and products to stay ahead in a fast-paced, tech-driven

world. Tinkerine enables the curious to convert creative ideas into the tangible and the unimaginable. All Tinkerine 3D printers and education services are designed and manufactured in Canada.
