Expenses	\$396,815	\$570,804	\$1,459,747	\$1,282,472
Net Income (Loss)	(\$138,589)	(\$536,381)	(\$1,007,289)	(\$1,137,721)

To date in 2015 we have ramped up our sales each quarter through the expansion of our dealer network particularly in the United States and Canada. Additional efficiencies continue to be recognized as the manufacturing process is optimized by our production team. We also tighten controllable expenses and brought the Company well in the direction of achieving cash flow positive results.

Outlook

To continue to expand our sales channels, we are focusing additional efforts on extending our dealer networks internationally. Our dedication to integrating STEAM based (science, technology, engineering, arts and mathematics) education content with 3-D printing is the foundation of future sales growth. Tinkerine continues to devote resources to research and development which includes hardware advancements, our Tinkerine Suite software and Tinkerine U online content delivery platform.

About Tinkerine

Tinkerine Studios designs and manufactures user-friendly award winning 3-D printers and software, with a focus on STEAM based educational content and online training tools. Tinkerine also manufactures our own line of high purity filament for 3-D printers.
